K,

We need to talk about 2 things here. Go to the PP, then you will see slides 13 and 14. On the first one they want more information on what is in red, they had been looking online but there is some confusion. The other one is the presenter for EPA in December. I think the date will be the 23, at 3:00 PM. They want you as the speaker.

Lets talk soon.

Dolores

ASWM Assumption Project Workgroup Members,

Thank you to those who were able to join us on the workgroup call last week (10/21/19). In this email you will find the PowerPoint and notes from our last workgroup call, information on our next call, and a few action items for your attention. Please feel free to reach out to Brenda or I with any questions, concerns or ideas between now and our next call.

With appreciation,

Brenda & Starsha

1. **OUR NEXT CALL WILL BE MONDAY NOVEMBER 18<sup>th</sup>, 2019 3:00 – 4:30 PM Eastern:** A calendar save the date for this and the rest of our workgroup calls in 2019 will be circulated soon. A reminder email will be sent with the meeting agenda closer to the call.

2. **SELECT A SUB-WORKGROUP:** All workgroup members are asked to use the form found at the link below to let us know which sub-workgroup you would like to participate in. You are welcome to serve on both sub-workgroups should you want to. Descriptions and scope of work for each sub-workgroup can be found at the top of the form as well as in the attached document "ASWM Assumption Sub-Workgroup Descriptions". Our November workgroup call will introduce the two sub-workgroups to the full workgroup. Starting in December our monthly workgroup calls will generally consist of a 30 minute FULL workgroup meeting immediately followed by a 60 minute sub-workgroup meeting alternating between the two sub-workgroups each month.

3. **REVIEW DOCUMENTS:** Please review the following documents (attached to this email) and provide feedback on our next workgroup call.
  - a. **Potential List of Assumption Webinars**
  - b. **Outline for 1<sup>st</sup> Assumption Webinar "Introduction to Assumption"**
4. **ENTER YOU'RE TIME INTO OUR VOLUNTEER LOG:** ASWM has developed an online tracking tool to help us simplify capturing the volunteer work you do for ASWM. Please click on the link below to enter your hours for each week you have contributed time to ASWM. This helps us track and acknowledge these contributions. We also use the non-federal time of our workgroup members as cost-share for our EPA Wetland Program Development Grant. Please note, if you are working on more than one project, hours will need to be entered for each project separately. Directions are included at the end of the attached PowerPoint from our call, if you need a refresher.

5. **MEETING NOTES & POWERPOINT:** The PowerPoint and notes from our last workgroup call are attached for your reference. If you have any edits to the call notes, please send them to me at [starsha@aswm.org](mailto:starsha@aswm.org) and cc Brenda [brenda@aswm.org](mailto:brenda@aswm.org). We want to make sure we accurately capture information shared.
